

IMPACT. CONNECT

INFORMATION SYSTEMS IMPACT. ELECTRONIC DOCUMENT EXCHANGE.

- 🕒 **PRESENTATION: EXPP Summit 2010 - Breakout session D:
Search and find appropriate interconnect partners**
- 🕒 PRESENTER: WILLIAM DRAKOS
- 🕒 DATE: MUNICH- OCTOBER 13, 2010

E-BUSINESS SOLUTION PROVIDER

- **Information Systems Impact S.A.** established in 1998
- One of the largest e-Business solution providers in Greece
- Operates the largest electronic document exchange service in Greece with a focus on e-invoicing (@connect)
- Covers the full set of commercial documents (not only invoices but also orders, etc)
- More than 1000 companies from the retail, transport, telecommunication and banking sector are connected in Greece and EU with more than 400.000 invoice transactions per month

@CONNECT SOLUTIONS FOR E-INVOICING

- Impact introduced the first electronic document exchange service in Greece since 2002
- First full e-invoice paperless solution introduced in Greece
- Covers all kinds of invoice solutions:
 - ➔ EDI: Direct integration of document data from the sender to the recipient ERP
 - ➔ Paperless invoicing
 - ➔ Electronic Invoice archiving
- Full SaaS model. No Infrastructure needed

CONNECT EVOLUTION

- Expanding in the Balkan countries (Rumania, Bulgaria, Turkey)
- Already interconnection with other providers (GXS, EDICOM, EXITE, etc)
- Seeking for new interconnections and cooperation
